

Official Calls Iran's Free, Special Economic Zones 'Paradise of Investment'

Speaking at the 23rd edition of the China International Fair for Investment & Trade (CIFIT 2023), Abdolmaleki said Iran's free and special economic zones enjoy high potentials for investment

Abdolmaleki added that 850 investment packages, valued at €15 billion, regarding 48 free and special economic zones in Iran will be presented at this exhibition

Expansion of investment is the main policy of the current administration in the management of Iran's free and special economic zones, he underlined

The China International Fair for Investment & Trade (CIFIT) is being held in Xiamen city on September 8-11, 2023
